## ***KIDS' BIKE/TRIKE-A-THON***

Hey Haven kids & parents, we want to invite you to help raise money to support a mission you care about. We'll be trying a brand NEW MISSIONS FUNRAISER, a bike/trike-a-thon.

*Children at Haven are invited to:*

**Step 1:** Ask friends and family to sponsor you. They will make a donation for each lap you make at the event. Suggested amounts per lap include \$.25, \$.50, or \$1. Since we aren't sure how many laps are likely, they can also provide a maximum amount to donate. You can send sponsors to [havenfellowship.org/vip](https://havenfellowship.org/vip) for more info

**Step 2:** Bring your trike, bike, or scooter to church on Wednesday, May 18. All of Haven and the sponsors will be invited to attend. You will make as many laps around the parking lot as you can during the time period.

**Step 3:** The church office will contact the sponsors about how many laps you've completed and how to make donations.
